

## DATA SHEET

### Mosswyn Axial Square Plate Recessed Fan 300mm

#### Technical Data:

Blade Material: Sheet steel coated in black

Protection: IP44

Insulation: Class F

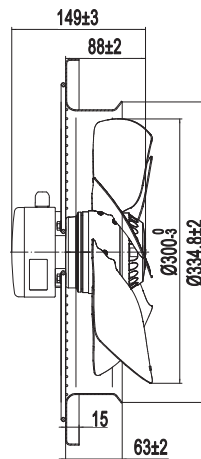

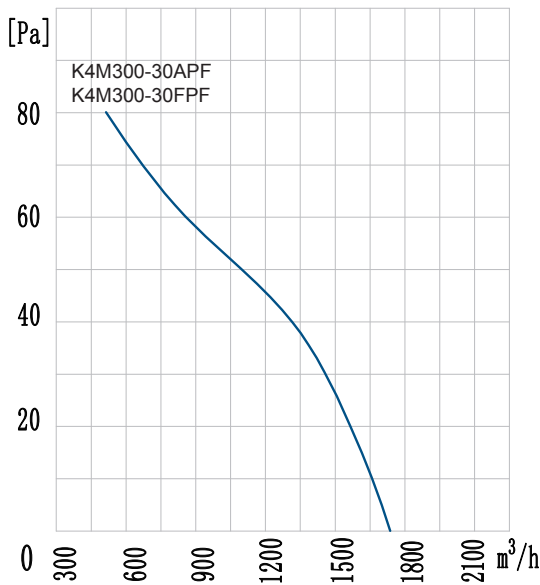

Overload protection internally wired

Min temperature: -30°C

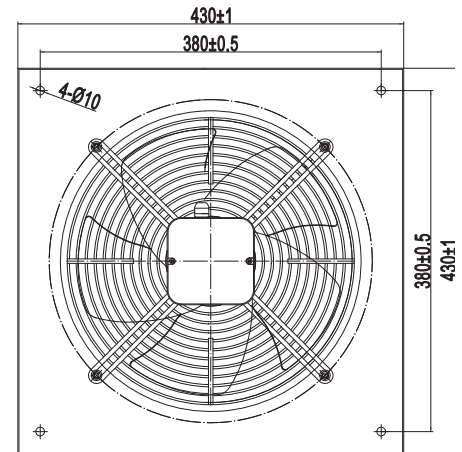

Max temperature: +60°C

Voltage range: 1ph 198-242V

Voltage range: 3ph 342-418V

Airflow Direction  
 ← Induced  
 → Forced

#### Mosswyn Axial Fan Square Blade 800mm

| Part No.         | Volts | Amps | Watts | RPM  | Air Flow Direction | Min / Max (°C) | Approvals     |
|------------------|-------|------|-------|------|--------------------|----------------|---------------|
| 130-K4M300-30APF | 230   | 0.42 | 90    | 1350 | Induced            | -30 / +60 °C   | CCC, CE, RoHS |
| 130-K4M300-30FPF | 230   | 0.42 | 90    | 1350 | Forced             | -30 / +60 °C   | CCC, CE, RoHS |
